

## Solar-SNAP® LIMITED WARRANTY RESIDENTIAL

HomeWood Solutions, LLC warrants that this product is free from manufacturer's defect and meets HomeWood Solutions' product specifications. If this product does not meet these specifications, HomeWood Solutions will, at its option and upon proof of purchase, replace any materials deemed to be defective with an equivalent amount of new product. In no event will HomeWood Solutions be responsible for (1) labor or the cost of labor for removal or application of product; or (2) any incidental or consequential damages, whether based on breach of express implied warranty, negligence, strict liability or any other legal theory.

No employee or agent of HomeWood Solutions has the authority to promise or give any warranty different from, or in addition to, the express warranties set forth herein, and has no authority to waive any of the exclusions from warranties set forth herein. If you purchase and use the Product, in a state that does not allow certain warranties to be disclaimed, then such warranties are limited to the shortest period as required or permitted under the law of your state.

**IMPORTANT:** Warranty applies when Solar-SNAP is used for its original intended purpose, is properly maintained and the installation of the product is performed in compliance with instructions, and if the product is not damaged, misused, or mishandled after delivery by HomeWood Solutions. The performance of the product is dependent upon its correct application/installation onto surfaces for which it is intended. Due to the uniqueness of each application and the lifestyles of the occupants, HomeWood Solutions, LLC does not and cannot guarantee specific or actual energy savings with the installation of Solar-SNAP Radiant Heat Barrier. Proof of professional installation is required for manufacturer's warranty to be applicable. Installation must conform to instructions provided by HomeWood Solutions, LLC to the installer. Warranty applies to Solar-SNAP materials installed onto correctly prepared surfaces which shall remain sound, stable, and free of cracking or movement. Deviation from instruction application guidelines may diminish or negate the performance of the product and void warranty.

**Exclusions from Warranty:** This warranty does not apply to any damage. The following criteria may be considered damage:

- One inch wide or more of foil delamination on the edges for more than 15 feet of the roll
- Large areas (more than one square foot) of delaminated foil; i.e.: damage during installation
- Improper installation, misuse, improper maintenance of, or changes, modifications or alterations to the product
- Severe weather conditions such as lightning, earthquakes, floods, hurricanes, tornados, storms or other acts of God
- Repair, reconstruction, or alteration to the building structure after the original installation of the product

HOMEWOOD SOLUTIONS DISCLAIMS ALL OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE PRODUCT, EXCEPT WHERE PRODUCT PURCHASE IS SUBJECT TO CONSUMER WARRANTY LAW.

**REMEDY:** If you feel that Solar-SNAP materials are not functioning to the manufacturers specifications, in a letter tell us why with details of its application. Enclose original proof of purchase/invoice from installer, and upon verification/approval we will provide replacement material. Send written correspondence to:
